The 2013 Series: Chardonnay

The Alexander Valley is highly regarded as a world class wine growing region with well drained soils and cooling fog from the Russian River. Our Chardonnay vineyards are planted on some of the coolest sites on the estate and produce grapes with rich flavor and well balanced acidity.

Winemaker Kevin Hall selects some of his favorite lots of Chardonnay with complex flavor profiles of apple, pear and slight tropical notes of pineapple for this wine. The grapes were harvested early in the morning to retain the natural acidity and the grapes were transported to the winery in 1/2 ton macrobins to preserve the pure fruit flavors. The fruit was whole cluster pressed to gently extract the juice, then barrel fermented in 100% French Oak. Malolactic fermentation added additional body to the wine, then the wine aged sur lie for fourteen months prior to bottling for additional complexity and palate weight.

We've produced Chardonnay for decades and the varietal is always one of our favorites, but this style is completely different than our Estate Chardonnay. There are aromatic nuances of baked apple, pear, vanilla, citrus peel and toasty oak in the glass. This is a rich, creamy Chardonnay with big flavors of vanilla, apple, pear, citrus and a touch of minerality.

With a mere 325 cases available, it is only sold at the winery.

Food Pairing: Try rich seafood like crab, scallop or lobster to complement the body of the wine. A seafood quiche and salad with light lemon vinaigrette makes the perfect starter with this wine.

About Alexander Valley Vineyards:

Harry and Maggie Wetzel purchased Cyrus Alexander's historic 1840's homestead in 1962. They started planting grapes in 1963 and from the beginning they realized that the property that stretched from the banks of the Russian River to the hillsides of the Mayacamas Mountains was a very special place. The Wetzel Family Estate has a rich diversity of soil types, elevations, exposures and microclimates giving AVV winemaker Kevin Hall grapes that showcase the terroir and the special place that we call home, Alexander Valley.
