

ALEXANDER VALLEY VINEYARDS

2018 Cabernet Sauvignon - 3.0L

In the late 1960s we bottled a few cases of Cabernet Sauvignon for friends and family. Those first few cases of homemade wine inspired the vision for our estate winery, Alexander Valley Vineyards. Decades later both our winery and this iconic valley are known for our flagship wine Cabernet Sauvignon.

The 2018 growing season began a bit cooler than the past few vintages, but we had a near perfect fruit set with moderate summer temperatures and relatively few heat spikes. The mild weather led to a longer hang time, allowing the grapes to ripen slowly with excellent flavors and balanced natural acidity. The wine was aged for 14 months in 25% new French and American oak barrels.

The 2018 Cabernet Sauvignon is a classic Alexander Valley wine with medium body, great fruit flavors and smooth, structured tannins. Winemaker Kevin Hall added 6% Merlot for structure, a touch of Cabernet Franc for floral notes and Malbec and Petit Verdot for color.

This is an elegant wine with aromas of black cherry, cassis, plum, vanilla, oak and chocolate. In the glass there are lush flavors of cherry, cassis, blackberry and chocolate. The 2018 Cabernet Sauvignon evolves with each sip. This is a graceful wine with great balance and a long, lingering finish. While fruit forward upon release, this wine will reward those with the patience to lay down a few bottles.

Food Pairing: Grilled or pan seared beef, lamb or tuna is a classic.

Profile: • Loads of dark spicy fruit • Graceful, yet structured

About Alexander Valley Vineyards:

Harry and Maggie Wetzel purchased the 600 acres that is home to AVV in 1962 from the heirs of valley namesake Cyrus Alexander. The Wetzel Family Estate stretches from the banks of the Russian River to the Mayacamas Mountains and today the 4th generation of the family calls it home. From the beginning the family has celebrated the unique place they call home by producing wines showcasing the terroir of the Alexander Valley. We are proud to be celebrating our 40th anniversary at the winery in 2015.

ALEXANDER VALLEY VINEYARDS

So how did AVV make a Cabernet back in the '60s prior to the start of the winery? Early on the Wetzels planted Cabernet Sauvignon on the property and sold it to other growers. But, there was always a desire to make their own wine from their grapes. From the beginning Harry and Maggie Wetzel decided that this was to be a family made wine that reflected their unique property. Katie recalls one of her first crushes: "I had to de-stem the grapes and then pull any I missed from the basket press". Hank remembers an early trade of their Cabernet grapes with a neighboring winery for one of their first barrels. Filled with AVV Cabernet Sauvignon the barrel aged in the cool adobe.

When time to bottle, the adobe "cellar" was converted to the adobe "bottling line".

Family and friends were called in to hand bottle and cork those early vintages. Harry and Maggie made sure that all pitched in, learning as they went. John started out filling bottles as a nine year old on the small bottling line set up in the historic adobe. Everyone looked forward to working those early bottling lines and eventually Linda would convince college roommates to come and help with later vintages. One just wrote and reminded her of how much fun they had during those early bottlings.

Finally, everyone helped to apply the first of the Alexander Valley Vineyards labels.

So what varietals did the family bottle prior to the 1975 start of AVV? Just one: Cabernet Sauvignon. Not a day goes by without someone asking the Wetzel Family about their favorite wine. Now you know why they always answer: "Cabernet Sauvignon is our sentimental favorite".

Our family creates wines of distinction for everyone.
