ALEXANDER VALLEY VINEYARDS

In 1962 Alexander Valley was mostly orchards and pasture when Harry and Maggie Wetzel purchased a portion of Cyrus Alexander's homestead. In 1963 they began planting premium grape varieties. In 1975 Hank Wetzel built their winery & produced AVV's first estate wines – quickly bringing recognition to the region.

Our vineyards stretch from the banks of the Russian River to the hillsides. Today, winemaker Kevin Hall creates balanced wines showcasing the grapes' varietal characteristics and the special valley that AVV calls home.

Fifty-eight years later, the 3rd generation of our family is continuing the legacy of family farming and winemaking, and Alexander Valley Vineyards is known for hand crafted, elegant age-worthy wines. Our family creates wines of distinction for everyone!
