## 2020 dry Rosé of Sangiovese

This is our fifteenth release of Rosé! With vibrant color, an enticing aroma and bright fruit flavors, AVV dry Rosé of Sangiovese is a hit year round.

The 2020 growing season enjoyed near-perfect growing conditions. The year began with unseasonably warm temperatures, and lower than normal rainfall. This was followed by weeks of steady daytime heat and cool evenings, allowing the grapes to ripen evenly. At harvest, the quality of the fruit was excellent with high acidity and intense flavors.

The grapes were gently pressed and held for 3 hours to get the proper color in the press. The juice was sent to a tank where it was cold settled for close to 48 hours and then racked off its sediment to another tank for fermentation, where it was inoculated with a French isolate yeast. To preserve the bright aromatics and fruit flavors the juice fermented slowly at a chilly 50°.

Recognized by critics and wine lovers as one of the country's best, our 2020 Rosé is brightly colored with a vibrant pink hue that alludes to the rich style. Aromas of guava, strawberry, watermelon, raspberry and mint explode out of the glass, while the flavors of watermelon, strawberry, peach, berries and nice minerality keep you coming back for a second bottle.

This is pure California sunshine in a glass. With bright acidity and a long dry finish this wine appeals to everyone!

## **Back label features** Sustainable logo:

Over the decades we have created and utilized many sustainable practices in our vineyards and winery. We're highlighting our commitment by prominently displaying the Sonoma County Sustainably Farmed Grapes logo on the back label of this bottle.

Sustainability ensures that our business, rural lifestyle and agricultural heritage will be maintained for years to come.

Every time a consumer purchases a bottle of wine with this logo, they are assured that it was produced in an environmentally friendly way by passionate stewards of the

dry ROSÉ of SANGIOVESE

Small Sangiovese vineyards are farmed exclusively for this rosé. Small Sangiovese vineyards are farmed exclusively for this rosé. Heavy pruning promotes even ripening while maintaining acidity and minerality in the grapes. We leave the juice in contact with the skins for a few hours to achieve the perfect pink hue, then cold ferment in stainless steel to maintain the bright flavors. Our dry Rosé of Sangiovese jumps out of the glass with intense aromatics and is rich and full bodied with big flavors of strawberry, watermelon, raspberry and mint. The Wetzel Family Estate, located on the property settled in the 1840s by Alexander Valley namesake Cyrus Alexander, showcases the history tradition and reveiled on the 1840s by history, tradition and excellence of the region.
