Get the inside story on AVV, the Wetzel Family estate and Sonoma County while tasting our handcrafted estate wines. The Wetzel Family purchased valley namesake Cyrus Alexander's homestead in 1962 and created a thriving agriculture lifestyle on the property along with a world renowned winery. Today the fourth generation of the family is growing up amongst the vineyards and next door to the winery known around the world as "AVV".

Every bottle shares our story, but a virtual tasting with family members brings AVV to you!
